This CD contains the names of children or adults baptised, their parents (if given) and surname, plus date, year, microfiche reference and register number (if any). It is not a transcription, does not include any birth dates or additional information. The original registers should be consulted for confirmation of details. They can be seen at the Leicester, Leics & Rutland Records Office and can also be viewed on microfiche there. The Leics & Rutland Family History Society have acquired most of the microfiche.

The register numbers quoted are as in the registers, however, each book starts at '1' and so consequently the register numbers will be repeated. Not all entries were recorded by the incumbent in chronological order.
