

BAPTISMS IN ALL SAINTS CHURCH & ST. LEONARDS CHURCH LEICESTER

All Saints's baptism register has been recorded and indexed from 1575 to 1921 – a total of 346 years and 17,749 baptisms. It does not seem to be included in the International Genealogical Index (IGI) after 1815. NB – Some names and baptism dates are duplicated in St Martin's Church Register in the years 1809, 1810 and 1811 – the reason for this is not known at this time.

St Leonard's baptism register has been recorded and indexed from 1682 to 1921 – a total of 239 years and 6,877 baptisms. It does not seem to be included in the International Genealogical Index (IGI) after 1837.

This CD contains the names of children or adults baptised, their parents (if given) and surname, plus date, year, microfiche reference and register number (if any). It is not a transcription, does not include any birth dates (if given), or additional information such as occupation, army regiment or abode etc. The original registers should be consulted for confirmation of details. They can be seen at the Leicester, Leics & Rutland Records Office and can also be viewed on microfiche there. The Leics & Rutland Family History Society have acquired most of the microfiche.

The register numbers quoted are as in the registers – however, the early books before 1813 do not contain register numbers. Each book after 1812 starts at '1' and so consequently the register numbers will be repeated. Not all entries were recorded by the incumbent in chronological order.
