

**BAPTISMS IN
ST. MARTIN'S CHURCH
& ST. NICHOLAS CHURCH
1558-1921**

St Nicholas' baptism register has been recorded and indexed from 1560 to 1908 – a total of 348 years and 8,121 baptisms. It does not seem to be included in the International Genealogical Index (IGI) after 1875. The Register after 1908 does not appear to have been deposited at the County Record Office.

This CD contains the names of children or adults baptised, their parents (if given) and surname, plus date, year, microfiche reference and register number (if any). It is not a transcription, does not include any birth dates (if given), or additional information such as occupation, army regiment or abode etc. The original registers should be consulted for confirmation of details. They can be seen at the Leicester, Leics & Rutland Records Office and can also be viewed on microfiche there. The Leics & Rutland Family History Society have acquired most of the microfiche.

The register numbers quoted are as in the registers – however, the early books before 1813 do not contain register numbers. Each book after 1812 starts at '1' and so consequently the register numbers will be repeated. Not all entries were recorded by the incumbent in chronological order.
